

POS Warranty Information

Warranty Terms

POS Systems Group Inc. directly guarantees all hardware sold for 90-days from receipt date of goods. After this short period, the manufacture warranty, and their rules will be in effect. If hardware is defective within 90-days, POS Systems Group will replace it fast. If hardware breaks within manufacture warranty period, the manufacture will fix it. In all cases, the POS-User must mail defective hardware to the Manufacture.

Office: 877-271-3730
